OBJECTIVE

As a caregiver, I have devoted the last 10 years of my life to providing live-in care for individuals in need. Throughout this time, I have gained invaluable experience and developed a deep understanding of the needs and requirements of the elderly or disabled individuals I have cared for. I have also honed my skills in managing my living situation while on the job, allowing me to provide my clients with the utmost care and attention. With my extensive experience and passion for providing care, I am confident in my ability to excel in similar roles in the healthcare or social
